

Base Invaders – Backyard Barmy

This game can be modified to be played indoors and outdoors.

Equipment:

- A designated Base for example: trampoline or a tree.
- A prison for example: Hula Hoop, or a designated area near the base.

Boundaries:

- The boundaries of the game, in this case, are the fence lines of the house.

Aim:

- Invaders attempt to storm the base which is protected by the guard.
- The guards aim is to protect the base from the invading forces.

Rules:

- The invaders are given 30 seconds to hide, within the boundaries.
- After 30 seconds the invaders attempt to touch the base without being tagged by the guard.
- If an invader is tagged he turns into a prisoner. Prisoners can be freed by being tagged by invaders.
- All prisoners must be freed and all invaders must be on the base in order for the game to be over.
